Staff Present – Kyle Bandy and Haley Huffman

### SUMMARY MINUTES

---

1. Call to Order: Perry Maull called the meeting to order at 7PM
2. Introductions: Members and Staff. Since there were only four members present a quorum for conducting business was not attained.
3. Video from bus security cameras on Bid Night was shown. Professor Grandorf recommends showing “Rush” video to every sorority house on campus and discuss what could have happened—particularly fatalities. Professor Grandorf also recommends creating a video of the “right way” to do handle Bid Night.
4. Perry Maull asked for feedback via email on the draft Committee for Fee Review proposal. The guidelines and timeline has not been issued yet. It is likely that the format for the submittal will remain the same as prior years. The timeline for submitting a proposal is usually very soon after the guidelines are issued.
5. Next Meeting: Monday March 23, 2015 at 7 PM- Distinguished Alumni Room, IMU
6. The meeting adjourned at 7:33 PM.
